**The program for next meeting: DG Janne Speirs**  
**Topic: District Governor's Visit**  
**Chairman: PP Terry Schneider**

### VERY IMPORTANT NOTICE

The following Rotarians, partners and friends are rostered for the Farmers Market and BBQ on 16 September:

T. Schneider, G. Pritchard, K Rowe, J Crowder, Idris, C Johns, C Bolwell, K Broadbent, S Caldwell, D Viner, S O'Neill, S Schneider, M Hardwick, G Rauwaka, R Oates, R Stewart, R Parker, B Thomas. Please check the roster for your time slot/duty and if unavailable arrange a replacement.

### FROM THE PRESIDENT

I apologise in advance to PE Wayne Gillan in an oversight of mine in not advising Wayne to send an overview of his first Club Assembly to you, our members to the Tide.

I suspect when Wayne returns he will fill in the gaps and answer any further queries you may have.

I congratulate Wayne on his first assembly, each Director and their stand in's for those absent presented their plans for the year and current position with resources available.

Geoff Pledge signalled a member target for 2018/19 of 70 with current roll call at 63. Again as part of our membership drive in March 2019 members are asked to bring a guest along to a dinner meeting to learn more about Rotary, our fellowship and our projects, with the view to attract possible new members. Ensure new members are involved in social and Club projects to enhance the importance of involvement and getting to know our members and partners. We have two new members on the horizon and we keenly wait to formally induct them into our club. It is up to all of us to be aware of potential members and provide opportunity for them to come to a meeting as a guest, to get to know us. Our focus to be with Rotaract and promote further visits to our club.

Rotary Foundation & Youth with Roger Oates and David Cross unable to attend I covered the key areas that they wished to convey. Muna, Rotary Junior Awards Program, Ryda, NYSF (Youth Science Forum), RYLA, Rypen, FMP VCAL Awards and ConoPhillips Science experience were all noted. We are supporting some 55 students across the board in the various programs with an approved budget to meet financial incentives and assist. Roger

and his committee are working very hard to ensure the success of this portfolio and I thank David Cross for keeping me up to speed at this time.

Student Exchange was tabled with information to be attained to support requests to be involved again, it was noted that the benefits are many and it is for us to seriously consider again. Further information will be provided to all members over coming weeks.

In Rob Stewart's absence, Communications & Media was noted by Bob Tanner with social media again to be used to our advantage in particular with the Farmer's Market. Our Website is up and running with David Lee trained up by daughter Amey to add articles and information to inform our activities. This is a real bonus for us. Rotary Radio and local papers are again important for us to create awareness and recognition for what we do and who we are.

Farmer's Market Director Geoff Raukawa stood solid with what we'll do if weather conditions become extreme with hail, rain, wind and extreme heat in regard to cancellation to ensure Stall holders and our valued patrons are not disadvantaged or critical of our management. Up to a day before the scheduled Market if weather forecast is extreme all involved, including teams will be advised.

Geoff gave a call for possible new Team Leaders to emerge to assist the current TL squad with 'hands on' training available and support given to learn the process leading up to and on Market Day when rostered. On that note re the roster, if you are on the roster and you are unable to attend your shift it is YOUR responsibility to obtain a replacement. On all shifts please ensure you complete the hours that have been asked of you. We are a team and we need to support each other as the SFM is a major fund raiser for us and it frees us up to meet our Project plans.

Welfare, with Nina DeSilva absent Marie Hardwick kindly reassured us all of the ongoing care we have for all our members and families.

Social activities were out lined by Geoff Pritchard with great events coming up, the next is at Barmah Park Winery on 9 September.

Treasure Campbell Johns noted despite Market washouts we are in a similar position to last year thanks to Graham Bryan's BBQ teams at Bunnings and our recent community grant, good positive news for us.

Community Service is in good hands with PP Terry Schneider with events including Anzac Day, Kankama, Rotary Health Programs in plans and assisting with identifying future projects.

I take opportunity to thank Geoff Pritchard for offering assistance as Secretary in the absence of Peter Cecil (on winter break) and Trish Anderson unwell and in hospital at this time.

It may be time to seek a member to become a Secretary in training to learn the 'ropes' in what is a hands on and rewarding role in our Club. If you are interested in the Secretarial role please by all means let me know.

In regard to finding a replacement for a UNIFORM STEWARD (due to the resignation of David Extance from our Club) Marie Hardwick was kind enough to discuss with Nina if we could store (as a central location) Rotary Caps and Shirts at SAI offices on Nepean Highway Frankston. I await that the outcome of that request.

I would like to reinforce the importance of member attendance where possible at all our meetings and in particular Club Assemblies which is your opportunity to air your thoughts, questions and concerns you may have. 15 November is the next Club Assembly please make note of the date in your diary.

---

**Important notice to the Directors for 2018/19, it is relevant to this weeks (30 August) guests DG Janne Spiers and PDG Charlie Spiers.**

It has been the norm that the current DG meets the Directors on the day of their visit to our club at a 5pm meeting to discuss the roles they have and what they have planned for the year.

On Friday 24 August I contacted DG Janne's secretary to change her visit time of 6.00pm to 5.00pm, I was advised that whilst in the past this has been the routine, Janne has requested specifically to mingle on a more informal basis with all members. Janne will seek out Directors for an informal introduction and brief chat during the night.

There is a document called 'Plan for an Efficient Rotary Club' that is extensive with information requested that Janne's feels is sufficient to gain strong insight into the workings and future direction of our Club. That document is being completed and will be ready in time before her visit this Thursday.

I ask all Directors where possible to be present at this week's meeting to personally meet DG Janne as noted.

In addition, as mentioned at last week's Club Assembly, Janne has asked that members' Partner's be invited to this week's meeting with the chance to welcome as well.

Looking forward to this week's dinner meeting. In the meantime look after yourselves and look out for your neighbour.

Cheers

President Charles

# DROUGHT RELIEF FUND FOR AUSTRALIAN FARMERS.

RAWCS (Rotary Australia World Community Service) have posted a call for help to assist our Farmers who are really struggling and in desperate need due to the ongoing drought in NSW and parts of Victoria. We've seen the Commonwealth Government offer some financial assistance this week, however there is much to do. The National Farmers Federation, Channel 9 (thru the Today show and News Bulletins) and Rotary Australia are working together to raise funds in an Australian Wide Fundraiser, the target is \$10 million.

On the RAWCS site click on Drought Relief Fund for Australian Farmers (RARF) for details on how to donate.

Please consider, the situation is critical.

## D9820 FOUNDATION GRANTS

From President Charles.

I received in part this email from Geoff Magor Sub-Committee Chair for D9820 Foundation Grants. In essence we have been approved for our Foundation Grant of \$2000 for our project at the Mornington Hospice.

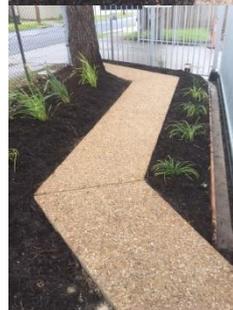

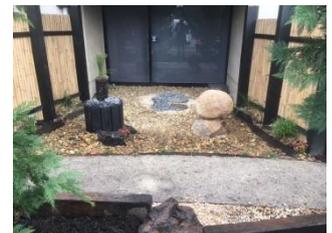

Brilliant work from Grahame Gordon and his working bee team, this is a great outcome for us, it's wonderful to have efforts like this recognised for our Club.

“Hi Charles,

Congratulations on your Clubs successful application for a 2018-2019 District Grant. Attached is the official letter of approval which also contains details covering your obligations.

Regards,

Geoff Magor  
D9820 Foundation Grants,  
Sub Committee Chair”

## International Science Summer School in Heidelberg, Germany

Earlier this year we contributed \$500 toward the costs for Harry Stuart from Frankston High School to attend the above Summer School.

Harry is now back and his email follows:

**From:** Harry Stuart  
<[hj.stuart0003@gmail.com](mailto:hj.stuart0003@gmail.com)>  
**Date:** 25 August 2018 at 2:18:36 pm AEST  
**To:** Terry Schneider  
<[schneider.terry@yahoo.com.au](mailto:schneider.terry@yahoo.com.au)>  
**Subject:** Donation

Dear Mr Schneider,

Earlier this year, the Rotary Club of Frankston was kind enough to help financially support my trip to Germany. My trip commenced on the 22nd of July and I returned last Sunday. I cannot express my gratitude for your donation enough, my participation in the program (that you helped make possible) was phenomenal.

I learnt things from this science internship trip that I would never be able to learn from school or university. The challenge of flying to a foreign country (that speaks a foreign language), meeting 20+ new people from all across the world that you were to live with for the next month, having to navigate around the city by yourselves and being thrown completely out of your comfort zone, was immensely nerve wracking yet exciting. I learnt a lot about different cultures and the amazing, international friendships I developed will be life-long. All of this experience has consolidated my plans for the

coming years at university and I have obtained many extremely useful skills. However, potentially more importantly, I have undoubtedly grown as an individual, I felt as if my horizons had been widened and I had gained a more sophisticated and open-minded outlook on life in general.

A simple email could not do the program justice, and nor my appreciation for your support. My mobile number is 0400 104 478, and I would love to hear from you sometime next week. I have work today and as such, am unable to call.

Thank you again!

Sincerely, Harry Stuart

## THE PERFECT HUSBAND

Several men are in the locker room of a golf club. A cellular phone on a bench rings and a man engages the hands-free speaker function and begins to talk. Everyone else in the room stops to listen.

MAN: "Hello"

WOMAN: "Hi Honey, it's me. Are you at the club?"

MAN: "Yes."

WOMAN: "I'm at the shops now and found this beautiful leather coat. It's only \$2,000; is it OK if I buy it?"

MAN: "Sure, go ahead if you like it that much."

WOMAN: "I also stopped by the Lexus dealership and saw the new models. I saw one I really liked."

MAN: "How much?"

WOMAN: "\$90,000."

MAN: "OK, but for that price I want it with all the options."

WOMAN: "Great! Oh, and one more thing... I was just talking to Janie and found out that the house I wanted last year is back on the market. They're asking \$980,000 for it."

MAN: "Well, then go ahead and make an offer of \$900,000. They'll probably take it. If not, we can go the extra eighty-thousand if it's what you really want."

WOMAN: "OK. I'll see you later! I love you so much!"

MAN: "Bye! I love you, too."

The man hangs up. The other men in the locker room are staring at him in astonishment, mouths wide open. He turns and asks, "Anyone know whose phone this is?"
