FROM THE PRESIDENT

Hello Rotarians we come suddenly to the last Tide for 2018, how fast has the year gone, though we are busy people, time waits for no one. We finished our weekly meetings for the

year with another quality speaker with SGT Ian Vandembosch giving us informed insight into the workings of DNA in Forensic operations.

The impact it has had in solving crime is defining, with hair, saliva, mouth swabs and blood identifying offenders at every turn. DNA is so resilient with early samples frozen in the early 80's, re offenders of crimes today are often linked to crimes committed many years ago. Thanks again Ian and thanks to our Chair for the night Geoff Raukawa.

So tomorrow night is our Christmas Party to be held at Norwood House 18 December, the address is 1198 Nepean Highway Mt Eliza, parking at the rear and time 6.30 for a 7.00pm start. Lots of fun to be had for all.

We return to our weekly dinner meeting on 3 January 2019, which is partner's night with our Guest speaker Bronwyn Street on The Briars and Napoleon.

Australia day looms we are celebrating it at Bert's Shed with a Spit Roast with entertainment from 'Beggs2 differ' a noted Gippsland Bush Band so come along and bring Family and Friends to what promises to be a great day.

Our Seaford Farmer's Market was filled again with new and established stallholders, unfortunately the weather leading into last Sunday was fairly ordinary with heavy rains and storms being all around us. Whilst the weather turned with some sun in the morning, around 11.45am the rains loomed again and by midday the downpour came bringing early closure. So we go again in January hoping the weather gods shine on us and we can gauge the impact of our new stallholders have with our regulars and general community.

Thank you again to TL 'General' Grahame Gordon and the teams for their efforts on what was no doubt a trying day. A special thanks for Santa finding his way to the Market and for Anita Cross heading up the face painting team.

Oh what did not go unnoticed was our Market Director Geoff handing out Christmas cards to all the Stallholders, a fantastic gesture and goodwill, well done Geoff.

To those who are unable to attend our Christmas Party tomorrow night I wish you a Happy and Safe Christmas and a healthy and rewarding New Year, I look forward to seeing you in 2019.

Enjoy your week, look after yourselves and look out for your neighbours.

Cheers
President Charles

AUSTRALIA DAY LUNCH **Midday Saturday 26 January**

Bert's Shed – 58 Roberts Road, Mornington

We will have a fabulous Spit Roast and outstanding Bush Band "Beggs2differ" and only \$40pp.

Members are very welcome to bring family and friends Along, the more the merrier, for a great day of roast lunch, music and dance List will circulate at the next meeting.

To whet your appetite here is some info on the band. Beggs2differ" is a Gippsland based group with a diverse range of musical styles playing guitar, piano, violin, mandolin, harmonica and tin whistle with links to Folk, Country and Blue Grass. Philip Beggs is a passionate song writer. In 2000 he won the 'Lawson Patterson Song writing Award' for the best song at the prestigious Port Fairy Folk Festival.

John Rees is best known for his bass playing in the band "Men at Work". In b2d the Grammy Award winning John Rees also gets to play another of his loves the violin / fiddle.

Diana Rees is a classically trained concert pianist but with a love for the contemporary. Her individualistic playing style is sure to impress and please.

Terry Lay has been singing and performing for 30 years but is probably more recently known for his portrayals in musical theatre. His lead and backing vocals style perfectly complements the band's acoustic expression.

With a mix of poignant and lively covers and original songs, the band's rich harmonies and encouraged audience participation have been loved by audiences throughout Gippsland and Melbourne for over 10 years.

CHRISTMAS RAFFLE

"As part of our fund raising efforts towards our new shed we are holding a raffle at our club Christmas Party. We need your help in donating raffle prizes to maximise the funds raised. Please have a think about what you could donate and remember every thing helps.

Peter Dusting and Wayne Gillan are coordinating this on behalf of the Social Committee so please let them know what you intend to donate.

Thanks for your help with this crucial fund raising"

TOMATOES

The Great Tomato Competition is on again, with last year's winner - the de Silva's 673gram whopper being hard to beat.

Previous winners have been "The General" with 485gm and Kay Barrow with a 493gm beauty.
Margot Kimpton has secretly obtained Kay Barrow's winning "Americana" variety - so look out!

Think Christmas and Think of the Homeless and Disadvantaged.

When doing your Christmas shopping or weekly supermarket shopping would you please add a few extra items to your trolley for the homeless.

The Rotary Club of Frankston has supported two wonderful organisations who are dedicated to helping the disadvantaged in our community. We wish to continue our support and are asking that you again give to Blessing Bags and Fusion.

Blessing Bags - (toiletry items and snack bars are bagged and given to the homeless, together with a hand written " Positive Affirmation ")

Blessing Bags require small tubes of toothpaste, tooth brushes, combs, deodorants, small containers of shampoo and conditioner, small packs of tissues, face cloths, sanitary items, soaps etc etc. Food items needed are snack bars, sultanas, nuts etc.

Fusion - offers short term accommodation for the disadvantaged -

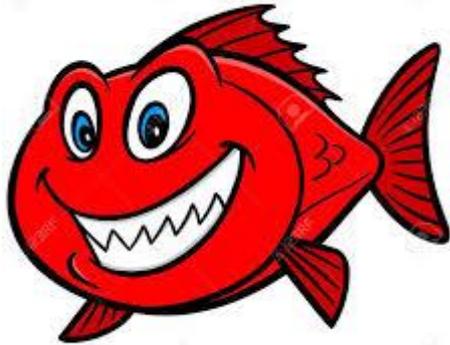

- they need non-perishable food products, cans of various food products, biscuits, snacks, Christmas Dinner treats (Christmas Puddings), custards etc.

- laundry and kitchen detergents are also needed

It would be greatly appreciated if you could bring any items to our Christmas Party or bring them along to Rotary any night.

Thank you. Roger Oates

CAMPBELL JOHNS FISHING CONTEST (est 2004)

The snapper are back! I opened the season with a 37cm pinkie, but was then thumped by David Lee with a 57cm fish. The record is 90cm.

KANKAMA CHRISTMAS

Kankama really is one of the highlights of our Rotary year. My special thanks to all the team who came along and helped to ensure that once again the Kankama clients had a great lunch followed by a visit from Father Christmas with gifts for them to enjoy. Privacy requirements don't allow us to photograph the clients however I can assure you that they were very excited to see us and we received many hugs and thank you's and for the ladies a special posy of roses. It was a most special day for all of us involved.

ABOUT GROWING OLDER...

First ~ Eventually you will reach a point when you stop lying about your age and start bragging about it.

Second ~ The older we get, the fewer things seem worth waiting in line for.

Third ~ Some people try to turn back their odometers. Not me; I want people to know why I look this way. I've travelled a long way, and some of the roads weren't paved.

Fourth ~ When you are dissatisfied and would like to go back to youth, think of Algebra.

Fifth ~ You know you are getting old when everything either dries up or leaks.

Sixth ~ I don't know how I got over the hill without getting to the top.

Seventh ~ One of the many things no one tells you about aging is that it's such a nice change from being young.

Eighth ~ One must wait until evening to see how splendid the day has been.

Ninth ~ Being young is beautiful, but being old is comfortable.

Tenth ~ Long ago, when men cursed and beat the ground with sticks, it was called witchcraft. Today it's called golf.

And, finally ~ If you don't learn to laugh at trouble, you won't have anything to laugh at when you're old.

From: Rotary District 9820 Youth Exchange Committee

To: Rotary Club of Frankston

secretary.rcf@gmail.com

Dear President and Rotary Club of Frankston members,

I am writing to express our thanks for the support of the Rotary Club of Frankston last Saturday 8th December for the Rotary District 9820 Outbound Youth Exchange Farewell event.

As the majority of the January, 2019 outbound students come from the Mornington Peninsula area, it made sense for us to hold the event in that area... and that meant that we had to organise things from afar, trusting that the recommendations would be worthwhile! We were delighted that the Rotary Club of Frankston was so helpful. It made the day much easier to have the use of the most delightful venue at the home of your club member, Kay. We also very much appreciated the loan of your trestles and chairs, transported there and back by club member Geoff and his wife Gail.

We were delighted to have over 40 people present on the day, including District Governor, Janne Speirs, the students and family members, their Rotary Counsellors and representatives of clubs from across the District.

Many people commented very favourably on the venue, how welcoming the room felt and the delicious lunch organised and provided by the Inner Wheel Clubs of Bayside and Nepean – we can recommend them as caterers if you need that in the future!

As the Youth Exchange Program Committee is drawn from across the District, we move events around to give the students the best experiences we can provide during their selection and training. Part of this is the recognition of how important the students are to Rotary, so a wonderful venue and set up conveys that so well.

Once again, our thanks for the support of the Rotary Club of Frankston with our YEP program.

Best wishes

Rosemary Allica
