### **Last week's speaker:**

Larry provided us with a wonderful overview of birds of the Peninsula. It is sad to hear that the loss of habitat has reduced numbers and varieties of birds that we encounter. It is important that we continue to plant shrubs and trees in our yards to encourage bird life and provide an important corridor for them to be able to fly around the Peninsula in safety and in larger numbers.

### **Next month: Golf Day: Sunday 23 October:**

The Golf Day will require all members to assist as there is so much work to do. It is also hoped that members' partners will also be willing to assist on the roster too. It will be a very busy day and "many hands make light work" will certainly apply. Please make sure you have the date in your diary, as we need you.

If you know that you are **not available** on 23 October, please email Ken Rowe **immediately** as he is currently working on rosters.

### **We still need more teams!**

**Please continue to invite family, friends and acquaintances to play golf.**

### **Seaford Farmers Market:**

It was another cold and sometimes wet day for the market. Sincere thanks to all members and partners who were rostered on yesterday and to those who work behind the scenes getting the market and bbq ready for action.

### **Art Show:**

Neil and Kaye Black and Max Lane are very busy preparing for the Club's Art Show scheduled for Easter, 2023 (Friday 7 – Monday 10 April). Neil has already secured a number of sponsors, the venue is confirmed and measured up (Seaford Community Centre, the same location as the Market) and members have started building the stands for the artwork. More information will follow but please put this date in your diary.

**Board meeting:**

The Board meeting will be held on Tuesday 20 September after being adjourned last week due to a lack of a quorum.

“*Imagine*, a world that deserves our best, where we get up each day knowing that we can make a difference.” *Jennifer Jones, RI President 2022-23*

Let us *Imagine* what will make this Rotary year extraordinary.

## **Golf Day – 23 October 2022**

### **GOLFERS UPDATE!**

At the meeting of the Committee last Thursday night, Max reported that to date we have received entries from 21 teams acknowledging that some sponsors haven't yet provided details of their teams. Whilst this is better than at the same time in 2019 [the last Golf Day], the meeting accepted that there will be a considerable challenge to secure upwards of 150 players due to a range of circumstances. This number of players is what we need to secure the Golf Day for future years.

**So Members, please continue to work on securing players and if you have any ideas as to how we can assist you in this regard, please don't hesitate to let me know accordingly.**

We are now down to working on the detail for our event and to that end, Ken is considerably advanced in preparing a roster that is expected will involve most, if not all, Members. I am also pleased to advise that former member, Sjaak Kusters, has offered his services to MC the spinning wheel as he so ably did in 2019.

It is again appropriate to acknowledge our generous sponsors as follows:

**Subject: CONFLICT OF INTEREST: IMPORTANT UPDATE FROM STEWARDSHIP TEAM**

## RI SOUTH ASIA OFFICE

Dear District/ Club Leaders:

We would like to share clarifications about Rotary's Conflict of Interest Policy for Grants. As you all are aware, a conflict of interest occurs when someone is in a position to make or influence a decision about a grant or award that could benefit them, their family, their business, or an entity in which they serve in a paid or voluntary leadership or advisory position.

Kindly note that all actual or perceived conflicts of interest **must be disclosed** to Rotary grants staff during the application process for global or district grants. If you're uncertain whether a situation presents a conflict of interest, you should disclose it.

Kindly refer to section 13 (pages 14-15) of the current version of the [Terms and Conditions](#) for Rotary Foundation Global Grants for more information on the Conflict of Interest Policy for Grants. We request the club leaders to share this information with their club members to ensure good stewardship of Rotary funds.

If you have any questions, please write to the Stewardship team at SAO at [stewardshipdepartment@rotary.org](mailto:stewardshipdepartment@rotary.org) and we will be happy to guide you.

Sincerely,

Rajesh Anand  
Manager, Stewardship & Legal

Little boy sitting on his step eating candy just as fast as he could unwrap it. A man passing by saw what he was doing. He said all that candy is not good for you and will spoil your dinner. The little boy said I don't know about that but my grandpa lived to be a 102. The man said wow you mean by eating candy. The little boy said no, by minding his own business.
