### **This week: Membership survey feedback**

Bill Redfern will be presenting a summary of the membership survey results.

### **Last week: Fort Grey**

We enjoyed a fabulous presentation from PP Neil Black and PP David Lee on the recent trip to Fort Grey along with some background to this visit and how members and the Club became

involved in the Fort Grey project. If you missed the meeting, the video is available on the Club's website. David did a fantastic job putting the video together. With thanks to Barry for ensuring that the video could be viewed on the night.

Many thanks to Ann Henderson, Sue Rowe and Susan Schneider for our delicious meal last week. I know Ann spent days preparing our meal, thank you!

Also, many thanks to Graham Henderson who served at the bar again last week. PE David Cross will be seeking a commitment from members who have a RSA certificate to be on a roster for bar service at meetings.

### **Golf Day: Sunday 23 October:**

The Golf Day will require all members to assist as there is so much work to do. It is also hoped that members' partners will also be willing to assist on the roster too. It will be a very busy day and "many hands make light work" will certainly apply. Please make sure you have the date in your diary, as we need you. If you know that you are **not available** on 23 October, you should have already emailed Ken Rowe. **We still need more teams!** Please continue to invite family, friends and acquaintances to play golf.

### **Art Show: another working bee**

There was another working bee on Sunday to build the art stands. With thanks to Kaye and Neil Black, Campbell Johns, Greg Morgan, Richard Parker, and Geoff Pritchard for their great work on the day. The assembly line completed 21 frames.

### **Club AGM:**

The Club's AGM will be held on 1 December. A Club Assembly will also be held that night. The timeline for the Nomination process for the President 2024/25 and Treasurer 2023/24 will be put to the next Board meeting for approval on 11 October then published to members.

### **Craft event:**

PP (Hon) Angela Cecil is inviting members and partners to participate in a fortnightly craft group. Please ensure that the flyer, which was emailed to members, is shared with your partners please.

**A message from PDG Mark Humphries about a friendship exchange connected to the International Convention:**

All Rotarians should have received the following email.

The International Convention is just around the corner. As a lead-up, the District is hosting a Rotary Friendship Exchange with District 7120, upper New York State. They would like to spend some time in our District meeting with people, Clubs and be involved with a community project along the way.

**How does it work?**

They will arrive in our District about two weeks before Convention and spend about four nights in each location. We will host them in our homes, show them around our District and some of the great sites, take them to the occasional meeting, do a community project and then move them to the next part of the District. Rotary Friendship Exchange works both ways and after we host District 7120, they will invite us to their District in return.

We are looking at starting them in East Gippsland. They hosted Linda and I as part of the International Assembly Governors hosting program. East Gippsland was in the clutches of the fires. I am often asked how things are progressing and they would like to see the impact firsthand and do a project in the community.

Move to Central and South Gippsland, again see the sites, be involved with a project at Centenary house.

Last stop, Peninsula, Frankston, Melbourne South East, has plenty to do, golf, wineries, scenery, a project on the Bay Trail, and a farewell dinner. Everyone welcome.

**What are we looking for:**

- People to host. There will be 6 – 8 couples coming. Therefore 6 – 8 people in each area, about 4 nights.
- Ability to drive people to sites and activities.
- Clusters to help organize the community project.
- Assist with transportation from Melbourne to East Gippsland.

We have in place Pearl Finlay-James in East Gippsland, Janne Speirs in Central/South Gippsland and Linda Morris on the Peninsula who will be coordinating the hosting and activities in their areas.

District 7120 has been doing friendship exchanges for a long time. Check out [Friendship Exchange History | District 7120 \(rotary7120.org\)](#) to learn more.

Please let me know how you can be involved with this great opportunity by replying directly to my email or mobile below.

Mark & Linda  
Phone: 0419 340 014  
Email: [mark.humphries@rotary9820.org.au](mailto:mark.humphries@rotary9820.org.au)

**Meeting venue:**

Some Board members will start looking again for a suitable venue for our meetings in the Frankston area. This will include revisiting venues considered earlier this year. We will keep you informed of our progress. The current arrangement at the Mt Eliza Bowling Club is scheduled to expire at the end of the year. We can discuss an extension with the MEBC if we cannot find a suitable venue.

**Please keep collecting:**

***Bread tags:***

The bread tags are recycled locally to raise money for funds to buy wheelchairs for people in South Africa. **ONLY PLASTIC BREAD TAGS PLEASE!**

***Lids for Kids: milk/UHT, water and soft drink bottle lids only***

BEFORE you donate your rescued lids

Please ensure that you have completed the following:

- **all of your lids are eligible (we accept milk/UHT, water and soft drink bottle lids only).**
- all milk lids have had their white foam seals removed (do this before washing).
- all of your lids have been washed and dried before packaging in recycled bags or boxes.

**Club beanies:** I have three beanies left. Price: \$20 each.

- 1. "They should not allow topless sunbathing on the beach. It was very distracting for my husband who just wanted to relax."
- 2. "On my holiday to Goa in India, I was disgusted to find that almost every restaurant served curry. I don't like spicy food."
- 3. "We went on holiday to Spain and had a problem with the taxi drivers as they were all Spanish."
- 4. "We booked an excursion to a water park but no-one told us we had to bring our own swimsuits and towels. We assumed it would be included in the price."
- 5. "The beach was too sandy. We had to clean everything when we returned to our room."
- 6. "We found the sand was not like the sand in the brochure. Your brochure shows the sand as white but it was more yellow."
- 7. "It's lazy of the local shopkeepers in Puerto Vallartato close in the afternoons. I often needed to buy things during 'siesta' time -- this should be banned."

## **CARING FOR THE ENVIRONMENT**

So let me get this straight. I go to To the grocery store and buy a lb. of sliced ham wrapped in plastic, a loaf of bread in a plastic bag, a gallon of milk in a plastic jug, a pack of napkins wrapped in plastic, a Greek salad in a plastic container, a plastic bottle of mustard and a plastic bottle of ketchup, and they won't give me a plastic bag to carry it home because the plastic bag is bad for the environment?
