Our Programme for this Meeting

Speaker: Alfonso Folle

Topic: Dust From Unmade Roads, Frankston

Chair: Grant Wishnowsky

Today is WORLD END POLIO DAY

VERY IMPORTANT NOTICE

The following Rotarians, partners and friends are rostered for the Farmers Market and BBQ on 17th November:
Quinn McCormack, Grant Wishnowsky, John Crowder, Geoff Raukawa, Peter MacKenzie, Alan Daniel, Ros Walsh, Brian Enno, Dennis Viner, Peter Cecil, Angela Cecil, Anne Raukawa, Chris Crewther, Graham Bryans and Ann Enno.
Please check the roster for your time slot/duty and if unavailable arrange a replacement.

Our meeting started out with a visit from our very own member, Greg Brown. Greg is also a member of the Wranglers Charity group. Greg came along to present us with the news that the Wranglers have unanimously agreed to donate \$30,000 to RCF to enable us to build our new shed.

President's Report:

Another "cracker" of a week in Rotary.

What a super generous group the Wranglers are. Our new shed will incorporate a meeting area where the Wranglers regalia (Honour Boards etc.) will be displayed and also where

the Wranglers may gather for meetings from time to time.

This week's guest speaker was our own Bob Seiffert. Bob has had such a rich career that this was his second time presenting as it was impossible to fit everything in the first time. We learnt of the trials and tribulations of Local Government and of Government Authorities. Bob's career included those "interesting" times of the Kennett era where local councils were amalgamated down from 270 to 78. I love Bob's grasp of detail and his level of organization which was demonstrated throughout his talk.

Anyone who knows Bob has heard of his frustration when Rotarians fail to reply to emails in a timely fashion; now imagine him as your CEO!

When we needed someone to lead our Golf day project; Bob's name was one of the first mentioned. What a great job he is doing and what a wonderful contributor to Rotary he is. A further highlight was the return to our meetings of Richard Parker. We are all aware of the health challenges that Richard has been enduring so it is wonderful that he was able to make it along. Hopefully his health will improve such that he can once again attend regularly.

Our Team Leader for Pets Day Out, Angela Cecil, reported that Pets Day Out was again successful this year. She told us that we made in excess of \$2,400. Well done Angela and your team for such great efforts and results.

Furthermore, following on from Allison Crawford's leave of absence, Angela has

agreed to fill the role of Director – Rotary Image, Communications and Public Relations. Thank you Angela; another great contributor to Rotary.

Many of our members attended a fantastic night at the Frankston Arts Centre (Friday October 11) to see Steve Cummings (formerly lead singer of the Sports in the 70's/80's) pay tribute to Neil Diamond. What a great performance. Many thanks to Ken and Sue Rowe for organizing this event. A further reminder that we are on a membership drive. Following representations from our membership committee it has been agreed to re-instate the free membership period for any new members joining RCF prior to Christmas. Therefore any new members will not have to pay membership dues until July 1, 2020. Accordingly if you have any new member prospects, alert Chris Sayers (Membership Director) and bring them along to experience one of our meetings. The Club will pick up the cost of dinner to the first meeting. If they join prior to Christmas they will not have to pay membership dues until July 2020.

In addition to your friends and acquaintances who you think would make good Rotarians, we need introductions to the senior people in all the big organizations in our area (Frankston Council, Peninsula Health, Monash University, Chisholm Institute, School Principals, Doctors, Lawyers etc...etc..).

Please actively seek out these introductions. A big thank you to Robin Stewart who stepped in to fill the rather large shoes of Barry Thomas, as our Sergeant this week. Another entertaining session although Rob is not prone to "dress up performances" in the way that Barry is. All the same he did a sensational job. Rob has also agreed to post Social media updates at the Wranglers – Rotary Golf Day. Thanks Rob.

Next week's program is:-

Dust from Unmade roads; our speaker is Alfonso Folle and our chair is Grant Wishnowsky.

I hope everyone has a really amazing week packed with lots and lots of fun.

Cheers
Wayne

SERGEANT AT ARMS

About Frankston

YAMALA

Home of Sir John Madden Lieutenant Governor of Victoria he was also Chief Justice 1893

Presidential Joke

His request approved, the Bulletin newspaper photographer quickly used his mobile phone to call the Townsville airport to charter a flight.

He was told a twin engine plane would be waiting for him at the airport. Arriving at the airport, he spotted a plane warming up outside a hanger.

He jumped in with his bag, slammed the door shut and shouted "Let's go." The pilot taxied out, swung the plane into the wind and took off.

Once in the air, the photographer instructed the pilot, "Fly over Mount Stuart and make low passes so I can take pictures of the fires on the hillsides".

"Why?" asked the pilot. "Because I'm a photographer for the Bulletin" he responded "And I need to get some close up shots".

The pilot was strangely silent for a moment, finally he stammered "So what you are telling me is.....you're not my flight instructor?"

YARRA TRAIL BIKE RIDE Tuesday 29th October

We plan to meet at Westfield Ovals, Yarra Bend Road, Fairfield at 10.30 am on the road adjacent to the ovals. This is 100m further down the road from Thomas Embling Hospital. Travel time from Frankston on EastLink and Eastern Freeway turning off at Chandler Hwy is approximately 50 mins.

We will leave cars here in the car park as there are no time limits. From here we will ride to Dennis Railway Station (10 mins) and catch the train to Eltham. There is a lovely cafe at Eltham that would be suitable for coffee/lunch.

From Eltham we ride back along the Yarra Trail following the Yarra River for about 24 km to our cars. We should be back at the carpark by approximately 3 pm.

The ride is all on good quality bike paths through beautiful bush country.

Please phone Terry Jones on 0408336626 for further details or for the google link to the car park.

Wrangler's Golf Day Sunday, 27th October

All Members will have received an email with the Briefing Note regarding the Golf Day. Even if you are not rostered for the Golf Day, could I strongly suggest that you peruse the Briefing Note anyway to familiarise yourself with what will be expected of us in future years.

Also, included with the Tide is the final roster for the Golf Day.

Thank you sincerely to all of you who have agreed to work on the Golf Day.

Roster and Map are on pages 8 and 9.

GOLF DAY

We will need some walkie talkies. Thanks to Messrs Bryans, Black, O'Neil, Jones and some others. Could you bring them to Rotary this Thursday? Could they please be in operational order on Channel 10? Thanks, KR
