Thank you, President Suzanne, this is fabulous. Please convey a big “thank you” to all members of the RC Frankston. Your generosity will have a profound impact on those people badly affected by the floods.

Nominating Committee recommendations:

The Nominating Committee has recommended Rotarian Bill Redfern as President 2024/25 and Rotarian Campbell Johns PHF as Treasurer 2023/24.

Proceeds from Golf Day:

This is a fantastic result. Congratulations again to the Golf Day Committee, Chair Bob Seiffert and all members who assisted in any way on the day. Now that the financials are finalised from the Golf Day, I am delighted to announce that the net profit was \$25,000.

On the recommendation of the Golf Day Committee the Board has agreed to donate a further \$10,000 to Community Support Frankston bringing our total donation from the Golf Day to CSF to \$20,000. CSF aid the most vulnerable and homeless people in our community.

This week:

Lara Olsen, CEO, South East Water. Lara has grown up locally, attended Toorak College and was an outbound Rotary Youth Exchange Student to Japan.

Last week:

David Howell provided a very interesting talk on Kokoda. I am amazed that he has walked that track over 40 times. I am not sure how his knees are holding up. His latest walk was an amazing tribute to the soldiers who fought there.

Art Show: Easter 2023

Please put the date in your diary! The Art Show will be held from **Thursday 6 – Monday 10 April**. The Gala Night will be held on Thursday 6 April.

SPONSORS, SPONSORS, SPONSORS: Lee Anne Smith is coordinating sponsors but needs your input and support. Who do you know? What businesses are you connected with? We need sponsors for the Art Show and Lee Anne cannot do this on her own. She needs your help!

Remembrance Day:

It was an honour to represent the Club at the Frankston RSL’s Remembrance Day service held on Friday 11 November. I was able to lay a wreath on behalf of the Club. Thank you to Campbell Johns for organising this and to Marie Hardwick who was also in attendance.

Board meeting:

There was a Board meeting held on Tuesday 8 November, at 7pm. Here’s the report from that meeting.

Donation To Rotary Australia World Community Service (RAWCS) For Flood Relief:

The Board agreed that the Club should donate \$10,000 to RAWCS for flood relief.

Dues For New Members:

After discussion at Club Assembly, the members agreed that a new member will receive six months free of dues, regardless of joining date, and then fees will be pro rated after that. This could cross into the next semi-annual period.

Therefore, the Board needs to move a motion to change the By Laws 14.4 which currently reads: "Dues for a member joining this club during any semi-annual period shall be pro-rated for the period of membership." The motion needs to be approved by the Board then circulated to members providing 14 days' notice before being voted on at a regular meeting of members.

MOTION: To replace Clause 14.4 By Laws with:

Dues for any member joining this Club shall be free for the first six months and then shall be pro-rated for the remainder of the semi-annual period.

Art Show:

Will be hiring LED trailers to advertise Art Show

Catering For Meetings Beyond 2022:

Still waiting for two more quotes. Hope to discuss options with members next week.

*"Imagine, a world that deserves our best, where we get up each day knowing that we can make a difference."
Jennifer Jones, RI President 2022-23*

Let us **Imagine** what will make this Rotary year extraordinary.

NOVEMBER IS ROTARY FOUNDATION MONTH

THIS WEEK'S SPEAKER – LARA OLSEN

Lara is the Managing Director of South East Water, which serves 1.9 million customers in the South East of Melbourne. She has extensive experience in the utility sector, focused on customer experience and innovation. Before joining South East Water, Lara was the Global Head of Business Development and Industrial Products at Tesla Energy based in the USA and also led the Business Development and Policy team for Tesla Australia. Lara was also Head of Strategy for CitiPower PowerCor and the Australian Renewable Energy Agency (ARENA), Project Leader with the Boston Consulting Group and co-founded Billcap (an energy management software as a service business).

Lara is a local girl, went to Toorak College, was an outbound Rotary Youth Exchange Program participant to Japan the year preceding Penny Kimpton's YEP to Japan. It will be interesting to get feedback on how YEP might have influenced Lara's career.

The past week was spent finalizing the website for the Frankston Rotary Art Show which is going to be staged at the Seaford Community Centre commencing with a Gala night on Thursday 6th April 2023. The Art Show will be running over Easter 2023 until Monday 11th April with the pack up on Tuesday.

Max and Neil are putting in hours of work and I am on a steep learning curve! We are now at the point where we are seeking sponsors. I am hoping that every person in the club will have at least one contact. **Could you please let me know of any suggestions for sponsors that you have?** The money will be going to an incredibly worthy course, the Frankston SES. Two of their officers will be attending our meeting on Thursday night.

Lee Anne Smith

‘THE IFFR BRIAN CONDON MEMORIAL FLYING SCHOLARSHIP’

Applications are invited via Australian Rotary Clubs for a Flying Scholarship in memory of Brian Condon, Australia's first **IFFR** World President. The concept is to foster an interest in aviation as a career or hobby, within the context of Rotary's many Youth initiatives. Your Club can participate by seeking applications from youth within your community.

A Flying Scholarship to the value of **\$5,000** will be provided by **IFFR** being a contribution to the successful applicant's Recreational Pilot Licence as a first step in obtaining their Private or Commercial Pilot Licence.

The sky is the limit!

SOME HUMOUR?

I got myself a seniors' GPS. Not only does it tell me how to get to my destination, it tells me why I wanted to go there.

I asked a supermarket market worker where they kept the tinned peaches. He said, "I'll see," and walked away. I asked another and he also said, "I'll see," and walked away.

In the end I gave up and found them myself, in Aisle C.

I don't know how to use TikTok, but I can write in cursive, do long division and tell time on clocks with hands... so there's that.

Brain cells, hair cells and skin cells - they all die constantly, but freaking fat cells seem to have eternal life...

If I waited until I had all my ducks in a row, I'd never get across the street. Sometimes you just have to gather up what you've got and make a run for it.
