and happiness as we continue to *Imagine* the difference our work makes in the lives of other people and our environment.

**This week:**

**Guest Speaker:** Our newest member, Lyn Leigh, will be our speaker. Secretary Trish will Chair the meeting. A reminder that as this is the first Thursday of the month it is Family and Friends Night.

**Last meeting:**

We had a fantastic Christmas party celebration at the Ranelagh Club on Thursday 15 December. What a great night it was! The weather "performed" for us and the view from the balcony was spectacular. Santa made a visit too! Many thanks to PP David Lee for your very humorous delivery of gifts. A huge thank you to PP Wayne and Sue Gillan for their wonderful organisation of the night ably assisted by members of the Social Committee.

**Sunday 18 December: Seaford Farmers Market:**

Our last market for the year saw a steady flow of patrons to the market. The sun was shining, and our stallholders were happy with their sales for the day. A huge thank you to PE David Cross for wearing the very hot Santa suit and bringing joy to the young (and not so young) children attending the market. A big thank you to all members and partners who worked the market shifts.

Our next market is 15 January.

**Playground harvesting for Bougainville:**

It was a very wet day when Trish, PP Luke, Campbell, PN Bill and PP Grant worked for over five hours to assist with the harvesting of the playground from Woodleigh Junior School on Thursday 22 December. This is a wonderful project run by Mt Eliza Rotarian Wayne Jenkins, District Project Coordinator for RORP (Rotary Overseas Relocated Playgrounds) that has two advantages. The equipment does not end up in landfill and the children of Bougainville will benefit from a refurbished playground. A big thank you to these Rotarians who were drenched but delighted with their efforts. Well done!

**New Years' Eve at the Rowes:**

Thank you to Ken and Sue for hosting a NY party at their home for members of our Rotary family. I am sorry I was not able to attend but I am sure that it was a great night enjoyed by all.

**Catering for our meetings:**

You should have received an email from Secretary Trish advising you that our new caterer, Simone, withdrew her catering services on 23 December. The catering subcommittee of the Board has met and is trying to secure a new caterer for our meetings. This week will be pizza, salad and dessert. **The charge for the meeting this week ONLY will be \$25.**

Additionally, the committee has decided to ask members to complete a short survey about catering for our meetings. The survey will be available in hard copy at the meeting on Thursday night and online for those unable to attend.

**Board meeting:**

The Board meeting was held on Tuesday 13 December. Here is a brief report from that meeting:

**Golf Day:** The Board accepted the recommendation from the Golf Day Committee that the principal beneficiary from the 2023 Golf Day be Community Support Frankston.

**The Art Show:** the website for the art show is now live. There is still work to be done on assembling the art stands.

The next Board meeting is Tuesday 10 January, 7pm on Zoom.

**Joint Cluster project and fundraiser:**

You may recall that PDG Keith Hopkins from RC Frankston North suggested that the Cluster clubs join together to run a project/fundraising event. The Cluster group is made up of representatives from RC's Frankston (Marie Hardwick, Suzanne Caldwell), Frankston North, Peninsula 2.0 and Langwarrin. RC Sunrise declined to participate.

Keith has a lot of experience running big events in Scotland which raises both funds for charity and promotes Rotary.

The Committee is suggesting the following and is looking for feedback from Club members:

*Event:* Walk around Ballam Park (similar to Relay for Life) for 12 hours.

*Location:* Ballam Park, preliminary discussion has taken place with Frankston CC.

*Beneficiary:* Frankston SES.

*When:* February 2024 (this would enable the committee to apply for a grant from Frankston CC to run the event).

*Teams:* 50 teams to register (8-15 in a team)

**Art Show: Easter 2023:**

Please put the date in your diary! The Art Show will be held from **Thursday 6 – Monday 10 April**. The Gala Night will be held on Thursday 6 April.

**Sponsors:** Lee Anne Smith is coordinating sponsors but needs your input and support. Who do you know? What businesses are you connected with? We need sponsors for the Art Show and Lee Anne cannot do this on her own. **She needs your help!**

**Rotary District newsletter:**

The Club's successful Golf Day was celebrated in the most recent edition of Rotary District 9820 newsletter. Thank you to PP Luke for getting this article included in the newsletter.

**Rotary District 9820 Conference and Rotary International Convention:**

I would encourage you to register for District Conference and the International Convention. Both events will be outstanding and a great way to learn about Rotary and share the wonderful activities and achievements of our organisation.

As you know I attended the 2014 RI Convention in Sydney. It was, and remains, one of the highlights of my Rotary membership.

**International Convention: Saturday 27 – Wednesday 31 May 2023**

[Register | Rotary Convention](#)

Alternatively, you can volunteer at the Convention without having to register for it.

“*Imagine*, a world that deserves our best, where we get up each day knowing that we can make a difference.” *Jennifer Jones, RI President 2022-23*

## **PLAYGROUND HARVESTING**

Team Playground - Luke Provis, Bill Redfern, Grant Wishnowsky, Campbell Johns, and Trish Anderson

Harvested our first playground from Woodleigh Junior School on 22<sup>nd</sup> December, bound for Bougainville.

This was done under instruction and guidance from Rotarian Wayne Jenkins, District Project Coordinator for RORP (*Rotary Overseas Relocated Playgrounds*). It took 5.5 hours in continuous rain but we still managed to have a few laughs and was finally loaded into the modified trailer.

As the container can take 12 playgrounds, this is one of Twelve.

## SOME HUMOUR

As you know, Ken & Sue had a New Year's Eve party, starting at 9pm there was beer, white and red wine coupled with a bottle or two rather nice French Champagne .. it was a great night, after midnight I still had the common sense to know I was slightly over the limit.

That's when I did something I've never done before...I took a taxi home.

On the way home there was a police roadblock, but since it was a taxi they waved it past and I arrived home safely without incident. These roadblocks can be anywhere and I realized how lucky I was to have chosen to take a taxi.....a real surprise to me as I had never driven a taxi before. I don't know where I got it, and now that it's in my garage I don't know what to do with it!! 🚗

I was afraid this would happen...

The three hardest things to say are:

1. I was wrong
2. I need help
3. Worcestershire Sauce

**Told my wife I wanted to be cremated. She made me an appointment for Tuesday.**

**"Vaping" back in my day.**

**Me: (sobbing my heart out, eyes swollen, nose red)...I can't see you anymore... I am not going to let you hurt me like this again!**

**Trainer: It was a sit up. You did one sit up.**

**Confuse your doctor by putting on rubber gloves at the same time he does.**

**My wife asked me to take her to one of those restaurants where they make the food right in front of you. So I took her to Subway and that's how the fight started.**
