The President's Report

Dear Rotarians, Partners, and Friends

It was a quiet market on Sunday, the first for 2023. My thanks again to all the Rotarians and partners who gave up their time to work on the market and support our stallholders and patrons. The new teardrop Market flags looked terrific. My thanks too to all the members

who worked behind the scenes organising the market, the stallholders, the bbq supplies and the roster. Thank you!

This week:

Our speaker is PP David Hanlon, District 9820 Youth Protection Officer. David will be presenting to Club members on the changes under the new Child Safe Policy laws and how it will impact on the Club's youth program.

Last meeting:

Liz provided a very interesting presentation on Mulberry Hill. Owned by the National Trust, the home was owned by artist Sir Daryl and Lady Joan Lindsay, author of *Picnic at Hanging Rock*. The house and its contents have a collection of Australian art, Georgian furniture and glassware and Staffordshire ceramics. It is in Golf Links Road Langwarrin South, our own backyard. Worth a visit!

Catering for our meetings:

Our new caterer starts this week. Please make Margie and her daughter Angela welcome. A reminder that the cost for our dinner meeting **each week is now \$35**.

Australia Day: Thursday 26 January:

As the Australia Day public holiday falls on a Thursday this year, there will **NOT** be a Rotary meeting that night. Unfortunately, the fireworks in Mornington are not happening so the social event at Terry and Barb Jones' home has been cancelled.

Joy Street Garden working bee and dinner meeting:

A reminder that the working bee at the Gardens is scheduled for Sunday 22 January. The annual dinner meeting at the Gardens will take place on Thursday 2 February.

Art Show: Easter 2023:

There will be a working bee on Saturday 28 January to complete the art frames. Your assistance is needed. Please!

The Art Show will be held from **Thursday 6 – Monday 10 April**. The Gala Night will be held on Thursday 6 April.

Sponsors: Lee Anne Smith is coordinating sponsors but needs your input and support. Who do you know? What businesses are you connected with? We need sponsors for the Art Show and Lee Anne cannot do this on her own. **She needs your help!**

Board meeting report:

We had a Board meeting on Tuesday 10 January. Here is a report:

Guest Speakers:

- Geoff Pritchard is always looking for recommendations for guest speakers for meetings.

Rotary International:

Creating lasting change

Solving some of the world's most complex and pressing problems takes real commitment and vision. Rotary members believe that we share a responsibility to take action to improve our communities.

No challenge is too big for us:

For more than a century, we have bridged cultures and connected continents. We champion peace, fight illiteracy and poverty, help people get access to clean water and sanitation and fight disease. Our newest cause is to protect our planet and its resources.

The Rotary Foundation is *changing the world by providing grants for projects and activities around the globe and in your own backyard*:

WASH (water, sanitation and hygiene) Global Grant Projects: Since 2013, The Rotary Foundation has invested in more than \$130 million in over 2000 projects worldwide. Through this investment, our volunteers of action have improved access to safely managed and basic WASH services to communities, schools and healthcare facilities, while protecting and conserving water resources.

Rotary-USAID WASH Partnership: Rotary and the United States Agency for International Development (USAID) assist communities and governments to plan, finance and deliver safe water, sanitation, and hygiene services, while sustainably managing water resources.

WASH in Schools Target Challenge: Rotary **challenges** our members to develop sustainable projects that comprehensively address the most pressing water, sanitation, hygiene and education needs in Belize, Guatemala, Honduras, India, and Kenya.

- \$24 is all it takes to provide one person with safe water.
- 123 schools in Ghana have gained access to basic sanitation and hygiene services due to the Rotary-USAID partnership.
- \$148 million has invested in water, sanitation, hygiene, and water resource management interventions globally.

Rotary District 9820 Conference and Rotary International Convention:

I would encourage you to register for District Conference and the International Convention. Both events will be outstanding and a great way to learn about Rotary and share the wonderful activities and achievements of our organisation.

As you know I attended the 2014 RI Convention in Sydney. It was, and remains, one of the highlights of my Rotary membership.

International Convention: Saturday 27 – Wednesday 31 May 2023

[Register | Rotary Convention](#)

Alternatively, you can volunteer at the Convention without having to register for it.

THE MEN'S TABLE
MEN SERVING MEN

A SAFE SPACE

HEALTHY MEN, HEALTHY MASCULINITIES, HEALTHY COMMUNITIES

The Men's Table is a preventative men's mental health and community-building initiative, providing a simple, low-cost, grassroots approach. It helps men build meaningful male friendships by creating safe places to share, overcoming the stigma that "men don't talk".

What we are about

Our vision is Healthy Men, Healthy Masculinities, Healthy Communities. The Men's Table enables adult men to meet on a monthly basis with the same group of men to share a meal and talk openly about their feelings, and the highs and lows that are impacting their lives and well-being.

It's healthy to show emotions and share feelings. When men have an opportunity to do this, they build relationships which can strengthen the resilience of the whole community.

Why we exist

The Men's Table hypothesis is that fostering social connection through participation in a Table is a preventative enabler of men's mental health and emotional wellbeing. The simple model is based on regular interaction between men in an environment in which meaningful conversation and mutual support are expected and role-modelled among members.

How and Where we operate

The Kitchen is The Men's Table's central office serving the Tables and providing a coordinating, developmental and governance role to support the growth and fidelity of our model. We have Tables in communities in several states and are working to continually expand our presence across Australia.

The Men's Table model is introduced with a proven local community activation and outreach process and then receives ongoing mentorship and assistance to maintain a healthy Table using the guidelines learned from other groups.

Impact and Outcomes

Our anonymous annual Table survey invites men to share, among other things, their reasons for joining a Table; why they stay; and the impact of the Table on their life. Some of the benefits reported are outlined:

84% felt a stronger sense of community belonging

73% felt better social connection

95% felt it was a safe place to share

85% felt it was a place to share feelings, vulnerability

80% reported a benefit to their mental health and wellbeing

61% reported an improvement to their communication skills

“ This is a safe space to speak openly without judgement with a like-minded group of good men.”

“ We share our own stories, confident that no one will try to fix or advise us, knowing that our open listening is valuable and welcomed.”

“ This level of connection goes beyond the superficial level common in most male banter, and intentionally dives deeper.”
