The President's Report

Dear Rotarians, Partners, and Friends

This week:

Golf Day Sponsors' Appreciation Dinner:

We have 24 sponsors attending our meeting on Thursday so the Club can thank them for sponsoring our Golf Day. We will also have Steve Phillips from Community Support Frankston speaking so that the sponsors and members understand how the Club's donation of \$20K from the Golf Day has assisted the

Rotary Club of Frankston

disadvantaged and homeless of Frankston. We will be launching the 2023 Golf Day.

Please ensure we welcome and engage with our sponsors during the evening and thank them for supporting our Golf Day. This is our chance to also let our sponsors know what Rotary does on the local, national and international stage. We will have our donation board on display so that you can use that to speak with sponsors about the Club's projects and donations.

Last meeting:

We had our annual Joy Street Community Gardens meeting. It was a cold and wet night, but we still were able to enjoy our gathering at the Gardens. It was great to see Bill and Bev Redfern again and to have PP Grahame and Jill Gordon join us for our meeting.

Our guest speaker, Vice President of the Garden Committee, Tricia Keating told us about the important role the garden plays in the community and how they give back to the community by donating surplus produce. It was great to have seven members of the Committee join us for dinner.

Many thanks to Lee Anne Smith and PP Ken and Sue Rowe for organising and managing this event and catering and to the many Rotarians and partners who assisted on the day/evening with set up, pack up and catering. I know several members spent all day at the gardens to ensure the marquees didn't blow away. Thank you!

Thank you:

Many thanks to Barry Thomas who assisted District 9820 with their presentation on Australia Day. I watched it from home and it was a fantastic celebration of Rotary. Barry's work ensured that the event ran smoothly and had no technical problems. Barry is also working with DGE Linda Humphries to produce a presentation on District Conference 2024. Thank you for your work Barry!

Art Show: Easter 2023:

The Art Show will be held from **Thursday 6 – Monday 10 April**. The Gala Night will be held on Thursday 6 April.

Sponsors: Lee Anne Smith is coordinating sponsors but needs your input and support. Who do you know? What businesses are you connected with? We need more sponsors. **Please help!**

Inspire Rotary:

I attended a two-day conference this weekend with Rotarians from District 9810 and 9820. Inspire Rotary was a 2-day leadership training event and is the first time this event has been run for Rotarians. It was excellent! Engaging guest speakers focused on values, goal setting, self-awareness, risk management, diversity and inclusion and communication. There were several Rotaractors and RLYAians who supported the program in leadership roles, and they were fantastic. Their leadership skills were exemplary, and they are a wonderful example of our Rotary youth.

I want to share the following quotes with you.

“Treat others how they wish to be treated.”

“Diversity is being invited to the party and inclusion is being asked to dance.”

Youth programs and Child Safe Standards:

If you wish to be involved in any Rotary youth programs, then you need to complete the screening process. This involves you having a Working With Children Card (WWCC) (no cost for volunteers) ([Home | Working with Children](#)) and a Form 3 (where you provide the names of three referees). I would encourage all members to be screened. If you need any assistance with the process then please ask PP Rob Stewart, the Club's Youth Protection Officer, for assistance.

Catering for our meetings:

Our new caterers, Margie and her daughter Angela will return to us next week on 9 February. A reminder that the cost for our dinner meeting **each week is now \$35.**

Rotary International:

United States:

Worldwide, only 17 percent of electronic waste and less than 5 percent of devices containing lithium-ion batteries are recycled, even though their chemical elements offer a “cycle of nearly infinite recyclability,” according to Redwood Materials. Since early 2022, more than a dozen Rotary clubs across the United States have collaborated with the Nevada-based battery recycler to host collection

drives, yielding tens of thousands of pounds of cell phones, laptops, power drills, electric toothbrushes, and more. “This is a turnkey project,” says Clari Nolet of the Rotary Club of Los Altos, California, a board member of

the [Environmental Sustainability Rotary Action Group](#).

“You clean out your junk drawer, address U.S. supply chain security and environmental issues, and assist in the adoption of electric cars.”

Canada:

On 17 September, volunteers from the Rotary Clubs of Oakville, Oakville-West, and Oakville Trafalgar, Ontario, packed more than 1,000 bags of barley bound for St. Vincent and the Grenadines, a Caribbean country recovering from a series of natural disasters. Rotary members emptied sacks of barley into bins, manually weighed the grains into 1-pound bags, and boxed them. Normally “it takes two shifts of five full-time people to accomplish what we did in three hours,” says Sundeep Khosla, an Oakville club member. His club has made a commitment to monthly shifts at the warehouse, run by [GlobalMedic](#), a charity focused on rapid response to disasters worldwide.

Fiji:

Along with community volunteers, members of the Rotary Club of Lautoka planted more than 4,000 mangrove saplings in September along a nearly 2,000-square-foot stretch of beach at Taiperia. The area, home to low-income Fijians, is about 2.5 miles from central Lautoka, on the island of Viti Levu. “For a small island nation such as Fiji, it is particularly important to protect our homes and livelihoods, as the vast population of the country lives near coastal areas,” says Club President Chirag Parmar. “The planting of mangroves helps protect these areas from coastal erosion and also rehabilitates the ecosystem of our shoreline.” The club teamed up with the Ministry of Forestry on the project and used \$130 in donations to buy the plantings. “We used a small batch of funds from a much larger donation received from the International Fellowship of

Rotarian Scuba Divers,” Parmar adds, illustrating the depth of Rotary partnerships.

Rotary District 9820 Conference and Rotary International Convention:

I would encourage you to register for District Conference and the International Convention. There are currently six Club members attending the District Conference and we are attending only on Saturday 25 which reduces our costs as we do not need to pay for accommodation. Please join us!

There are currently eight members attending the International Convention. Both events will be outstanding and a great way to learn about Rotary and share the wonderful activities and achievements of our organisation. The Convention is still looking for volunteers. You can volunteer even if you are not registered for the Convention.

As you know I attended the 2014 RI Convention in Sydney. It was, and remains, one of the highlights of my Rotary membership.

International Convention: Saturday 27 – Wednesday 31 May 2023

LAST WEEK

Joy Street Community Garden Dinner

Oh, my goodness what a night! We were so lucky with the weather. The rain and wind stopped on our arrival and then recommenced shortly after most people had left. The night was delightful with lovely hospitality, happy faces, and good food. This is always a very special night on the Rotary Calendar, and it certainly lived up to expectation. It is a huge logistical exercise and there are so many people to be thanked. Rotary celebrations like this are not accidental, they are only possible because of all the people that give so generously of their time.

Set Up and packing up on Thursday and Friday – Peter Disting, Graham Bryans and Trish Grant, Ken and Sue Rowe, Richard Parker, Lee Anne Smith, Graham Henderson, Terry Jones, Wayne Gillan, Peter Cecil

So many other jobs (**apologies if I have missed anybody**) :

-gate sales: Campbell Johns

- bar sales – Peter Disting, Graham Bryans. Richard Parker,

-setting tables, serving food, food preparation, clearing tables: -Sue Gillan, Sue Rowe, Peter Disting, Geoff Raukawa, Lee Anne Smith, Trish Anderson, Anita Cross, Jenny Cuddihy, Robyn Provis, Trish Grant, Deb Parker

- parking – Peter Cecil,

-washing up glasses and cutlery – Sue Rowe,

-washing table cloths- Angela Cecil,

-raffle – Greg Morgan,

I would also like to acknowledge Helen Clapperton and Ian Ward from the Joy St Garden. Helen worked the day before on cleaning the Gazebo and Ian stayed and helped pack up. Thanks to raffle donors and Ken and Sue Rowe for the begonias and geraniums.

So many Rotarians involved.

Many thanks Lee Anne Smith

BOTANICAL GARDENS WALK AND PICNIC

Humour

"HOW CAN WE DISCUSS THIS INTELLIGENTLY WHEN YOU INSIST ON TALKING?"

I need everyone to wish me luck. I have a meeting at the bank later and if all goes well, I will be out of debt. I'm so excited I can barely put on my ski mask.

My grandson made the mistake of telling me I was being overdramatic so I just changed the WiFi password. We'll see who's overdramatic in about 5 minutes.
